## Scholarship Program

**You lead a family.  
We want you to lead our industry.**

iMii's iMpowered Scholarship Program for women and Indigenous students with financial responsibilities for the family can help pay your education and build your career in the minerals industry.

iMii will grant up to four scholarships for the 2022 academic winter session.  
Awards may be renewable for subsequent years.

**The deadline for application for the 2022 academic winter semester is November 30, 2021.**

ENROLLMENT & QUALIFICATIONS:

**You can be considered for this \$12,500 cash award if you:**

- identify as Indigenous (any gender) or female,
- have a financial responsibility for your family,
- enrolled in a post-secondary education program of direct relevance to mining, and
- seeking a career in Saskatchewan's minerals industry.
