## A Thank You From the Co-Captains

On behalf of the USask team we would like to extend our gratitude for your generous sponsorship! Without the support of sponsors, competing in this event would not have been possible.

Through your support, we were able to showcase our skill, creativity, and passion on a national scale and provide invaluable experiences and memories for each member of the team. We were proud to represent all sponsors and look forward to the possibility of working together in the future.
